1953

We, the class of 1958, dedicate our Philomath to the c
school which will be a constant reminder of the intere

zens of Framingham in appreciation for our new high
and faith the townspeople have in youth.

PRINCIPAL'S MESSAGE

The Challenge to the Class of 1958

The Class of 1958 moves on to graduation with distinction. Every class has pointed with pride to certain achievements during the years in high school, but to the Class of 1958 goes the distinction of not only establishing records of high degree, both academic and extracurricular, but also of being the first class to graduate from the new and inspiring high school building, made possible by the citizens of Framingham.

During the final months of the senior year, the class has had the opportunity of enjoying to the fullest all of the expanded phases of school life provided by the various units included in the new building.

In these United States we believe in free public education for every student, and to this end each community invests large sums of money and concentrated effort for making educational opportunities available to every boy and girl. The challenge to every graduate of every class is to so live that the people of Framingham and of all other communities will have an excellent return on their investment. Indications of the highest type of citizenship in adult life, as well as success in selected vocations are all returns on investments made by the supporting public. The challenge to the Class of 1958, therefore, is to so live that you will be a credit to your home, your school, and your community, and in so doing you will be a credit to yourself. That is the only "investment return" that is desired or expected by those who have done so much for every member of the class.

May R. Mason

PRESIDENT'S MESSAGE

Our never-to-be-forgotten experience of high school is almost over. As members of the Class of 1958, we have been extremely fortunate. For two and one half years we attended the old Framingham High School with its long-standing traditions before moving to the new high school where we became the originators of new sets of traditions for the F.H.S. students of the present and future.

Our close associations with both our classmates and the faculty have made our three years in high school most enjoyable. There have been many tireless and hard-working teachers who have aided us in setting and achieving goals along our high school road. Let us not forget the fine advice and the good example of those who have taken such an active interest in our development as the citizens of tomorrow.

VLADIMIR and MEPHISTOPHELES M. QUAMQUAM

Ygarrowra, Ethiopia

These are the famous Quamquam twins who look so much alike that we have printed only one—picture. Vladi and Mephi have so many drapes that neither can tell if he's wearing the other's. They are both famous (or one is) for their (his) collections of shrunk heads, eight-balls, and bent thumbtacks. Each hopes to be the sensation of the business world by mastering the Stillson wrench. We bid them adieu . . . certain that neither will come to a good end.

Activities: Neck-slicing 1, 2, 3; Drape-changing 2, 4, 6; Yodeling 2, 3, 4; Captain and Co-Captain of the Rope-skipping Group 2, 3; Christmas Projects 2, 3, 4.

HOWDY C. G. DOODY

Doodyville, U.S.A. and Framingham, Mass.

Howdy is one of our better known entertainers. The only time that Howdy ever disappointed an audience was when the string to his lower mandible snapped from excessive use, leaving him in an embarrassing situation—he was unable to dissertate! With the avid support of his Fan Club, we are sure that Howdy, together with Bison Bill, will always be the acme of the popularity poll.

Activities: Pulling strings 2, 3, 4; Collecting empty seltzer bottles; Piano Dancing 3; Making the crowds smile; Left Eye of the Tiddle-Dee Wink Club; Chewing-Gum Hiding 2, 3, 4; Christmas Projects 2, 3, 4.

MORTIMER THROCKMORTON VON HINDLESWANSKI

West Leftover, Maine

This broken-down aristocrat seems just plain wild to us. Even this picture gives you no idea how ferocious he is. A transfer from Lyman, Mort took some while to adjust to our honor system. The miniature of the Battle of Gettysburg, all tattooed on his 'standouting' left ear, has been pronounced by experts to be a rival of the Mona Lisa. He intends to earn his living by painting 6's on watch dials. We wish him luck . . . the worst.

Activities: Nothing that we care to mention.

Library Service Club

Study! Study!

"Where, oh where are my library shelves?"

Oh, how comfortable, the library lounge!

It has been a real happiness for me to have been in Framingham High School this year.

I think that I could not find a second school like this one in my whole life. Everyone is so friendly to me. I feel as if each one is saying, "Welcome, Mary."

Now I am not a stranger; I am a F.H.S. student myself. I scream with the boys and girls at the games; I am happy when our team wins and I am sad when the team loses.

I am never going to forget this wonderful school with its fine friends and its interested teachers. I'll always be wishing for the Flyers to beat Natick.

STUDENT EXCHANGE

After spending three marvelous months during the summer of 1957 in Karlsruhe, Germany, living closely with the German people, enjoying the everyday life, and traveling throughout the countryside, I have assimilated much first-hand information about life, customs, and government in the Old World.

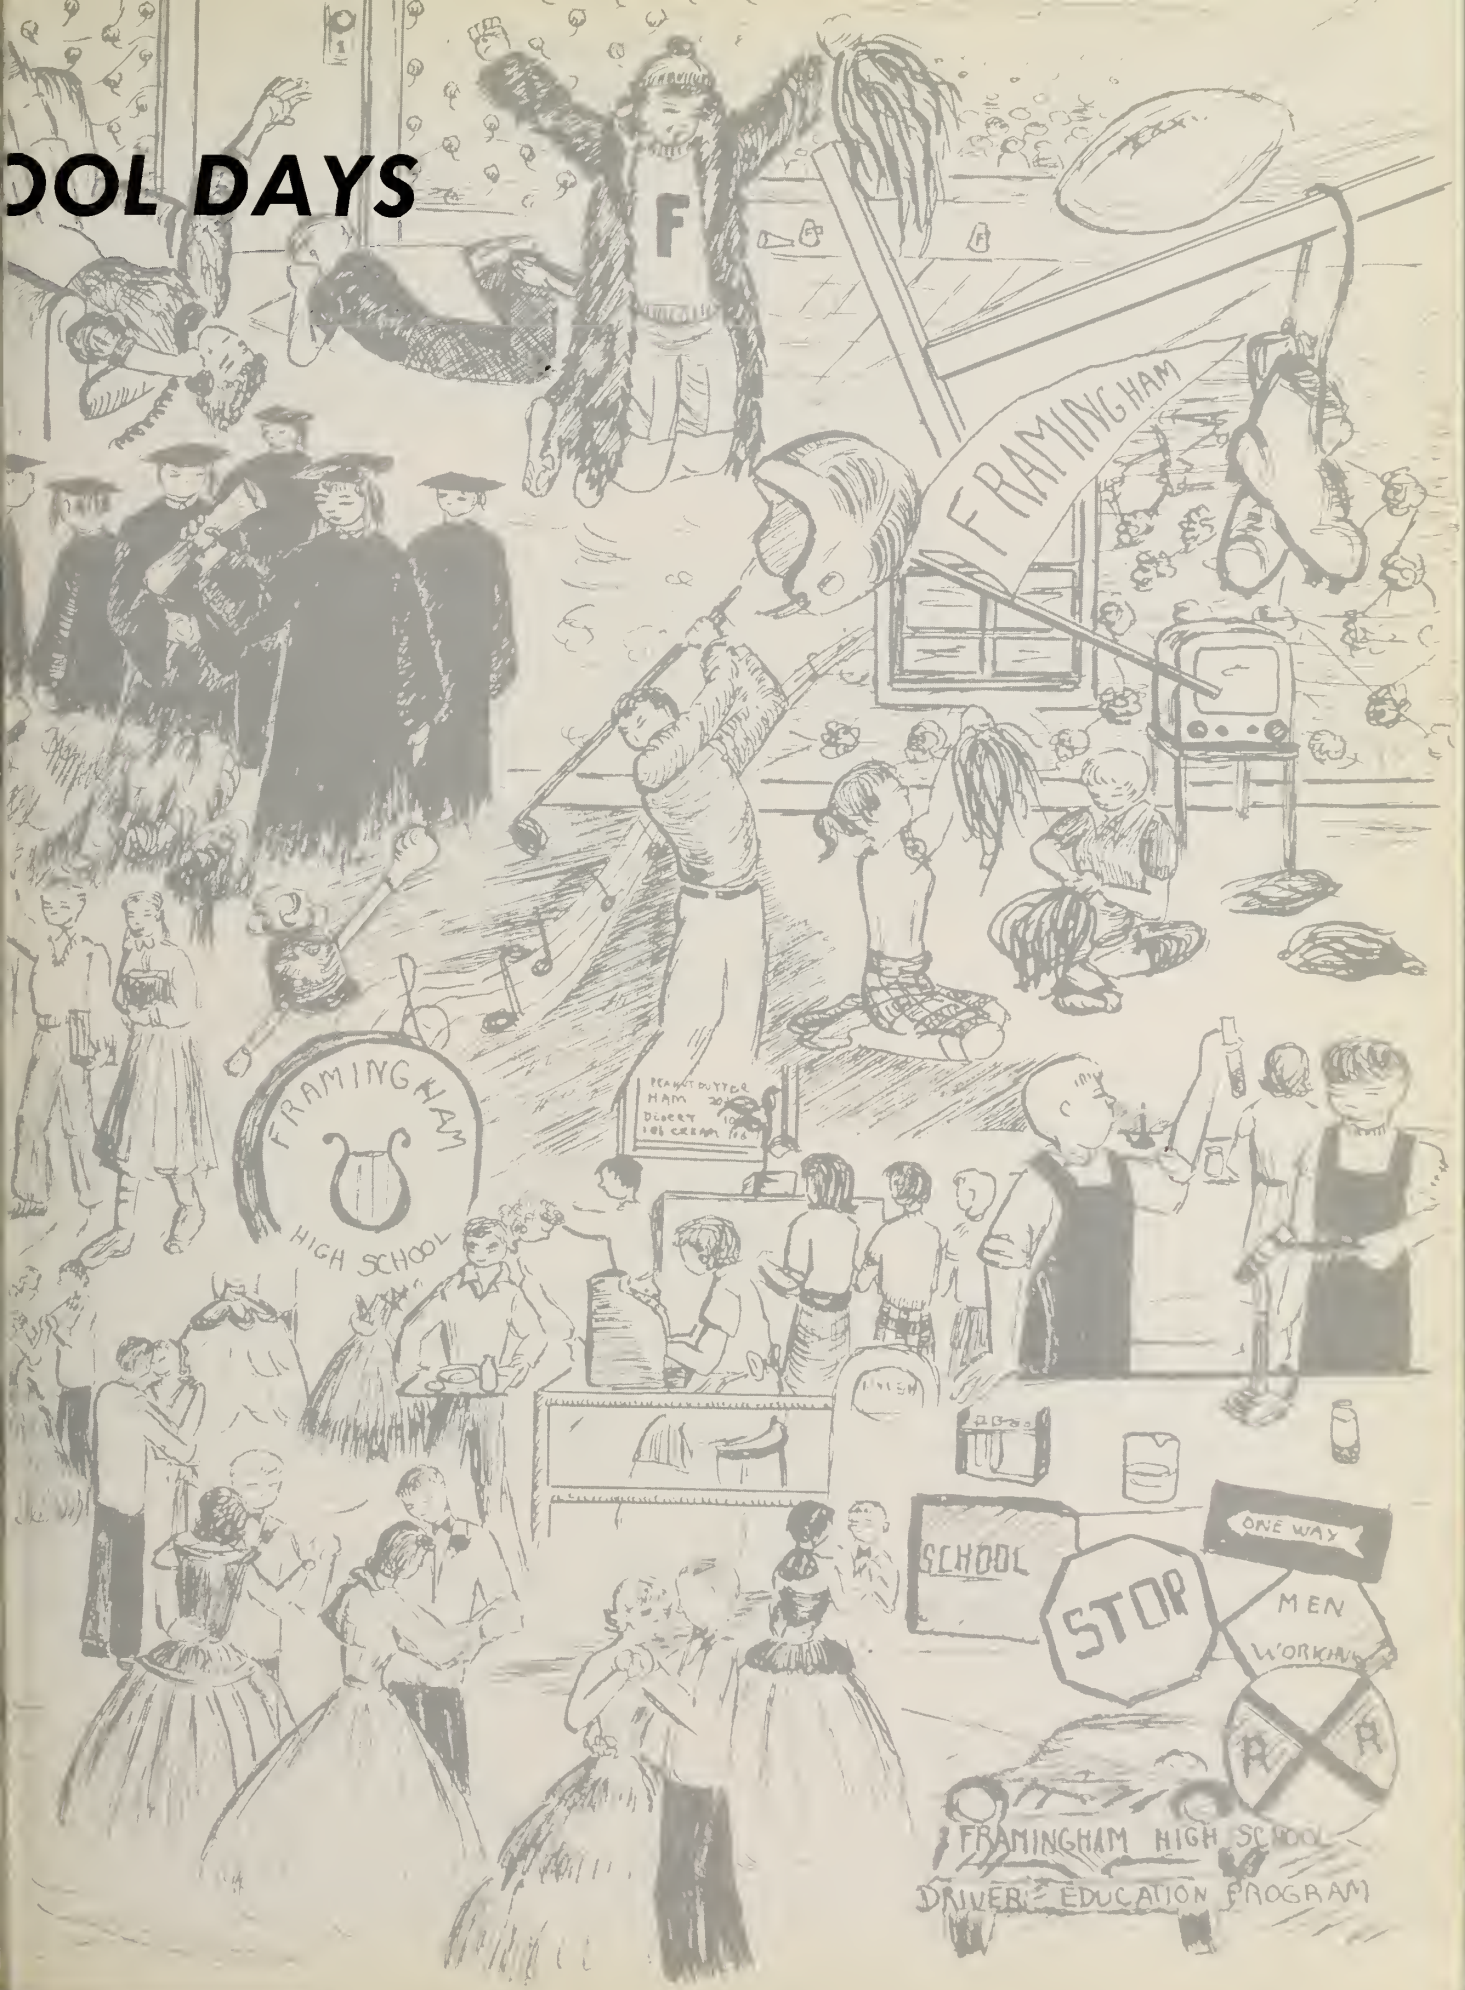

I am most grateful for this never-to-be-forgotten opportunity of living among the Germans, attending their schools, visiting their courts, and inspecting their factories, but most of all I enjoyed getting to know and appreciate the friendly ways of these people in a country far from home.

COUNCIL

With Edward Sleczkowski, President, and Mr. Bayes, Faculty Advisor, the Student Council had a very successful year.

During the summer Ed and his Senior Committee edited the Sophomore Handbook.

Since we were moving, our bookcovers were designed with a floor plan to acquaint us with the new school, prior to our departure from Union Avenue.

Next on the agenda was the annual fall Candy Sale, followed by the Football Dance at the close of the season.

And then it was Christmas time! Time for our projects! Because of the generosity of all, we had one of the most successful Christmas Projects ever held at F.H.S.

During the spring the Student Council sponsored the Spring Dance and with our moving had many opportunities to help all make a better adjustment.

To the many conventions held at this time, we sent delegates. From these conventions new ideas and solutions to old problems were conveyed to our delegates, who, in turn, shared the same with the student body.

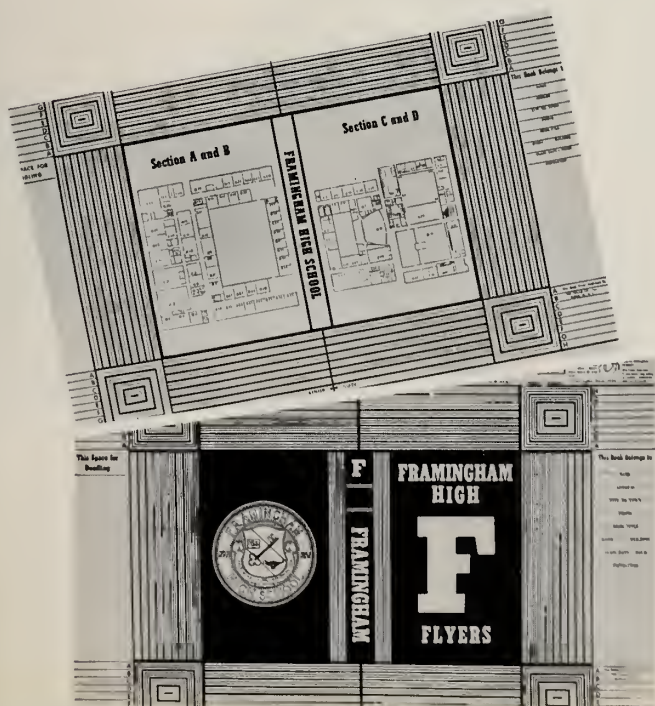

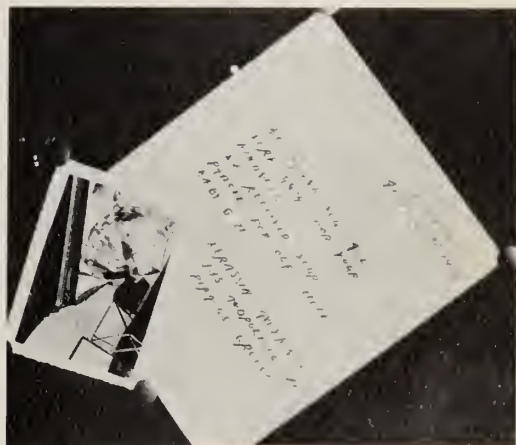

And so another profitable year has passed under the Student Council and for us, the students of Framingham High.

CHRISTMAS PROJECTS

This year proved to be one of the most successful for our annual Christmas Projects. Mr. Bayes and the chairmen of the various committees were proud to report that 3,267 cans of food were donated to the Salvation Army, while 226 bags of toys and clothing were delivered to the needy people of the town. Many cartons of toys and clothing were sent to the children in the Reformatory nursery, and Save the Children Federation was pleased to receive 36 bags of clothing. CARE was able to send 420 packages overseas as a result of our money donations.

The chairmen of committees were listed as follows:

CARE	Mary Ann Weddleton and Frances Ferullo
Family Projects	Judy Bodio and Joanne Fitzgerald
Publicity	Diane Hill and Edward McManus
Work and Display	Gyuri Nemeth and Allen Prince
Salvation Army	Paul Berte and Lee Rendell
Reformatory Nursery	Ellen McDewitt and Florence Merloni

OUR

M-C and the Band

Our first dance of the season was the Senior-Soph, an annual social, planned to serve as a welcome to the sophomores of F.H.S. To add to the enjoyment of the evening, various committees worked long and hard to prepare suitable decorations and refreshments for those in attendance.

To climax a grinding football season, the Football Dance was held to honor the coaches and men of the Flying '57 team.

DANCES

The music was provided by Nat Walsh's band, while entertainment was furnished by the boys' quartet—Billy Collins, George Daboul, Eddie Hildebrandt, and Ernie Mespelli.

The Majorettes did well in contributing several musical renditions, but most of all, did the audience enjoy the harmony of the football coaches.

Congratulations!

BAND

We at F.H.S. are fortunate in having one of the finest bands in the state because of the efforts of an excellent director, Mr. Murray. In addition to their fine music, we all agree that the new uniforms added distinction to this well-known group.

MAJORETTES

Adding color and excitement to the '57-'58 sports year at F.H.S. were our spirited majorettes. Included in the group of talented performers under the able leadership of Jane Owen were Charlene Valera, Jean Travaglini, Betty McKeown, Valerie Tosti, Sandra Cantalupo, Patricia Moretti, Sheila Morini, and Barbara Santini.

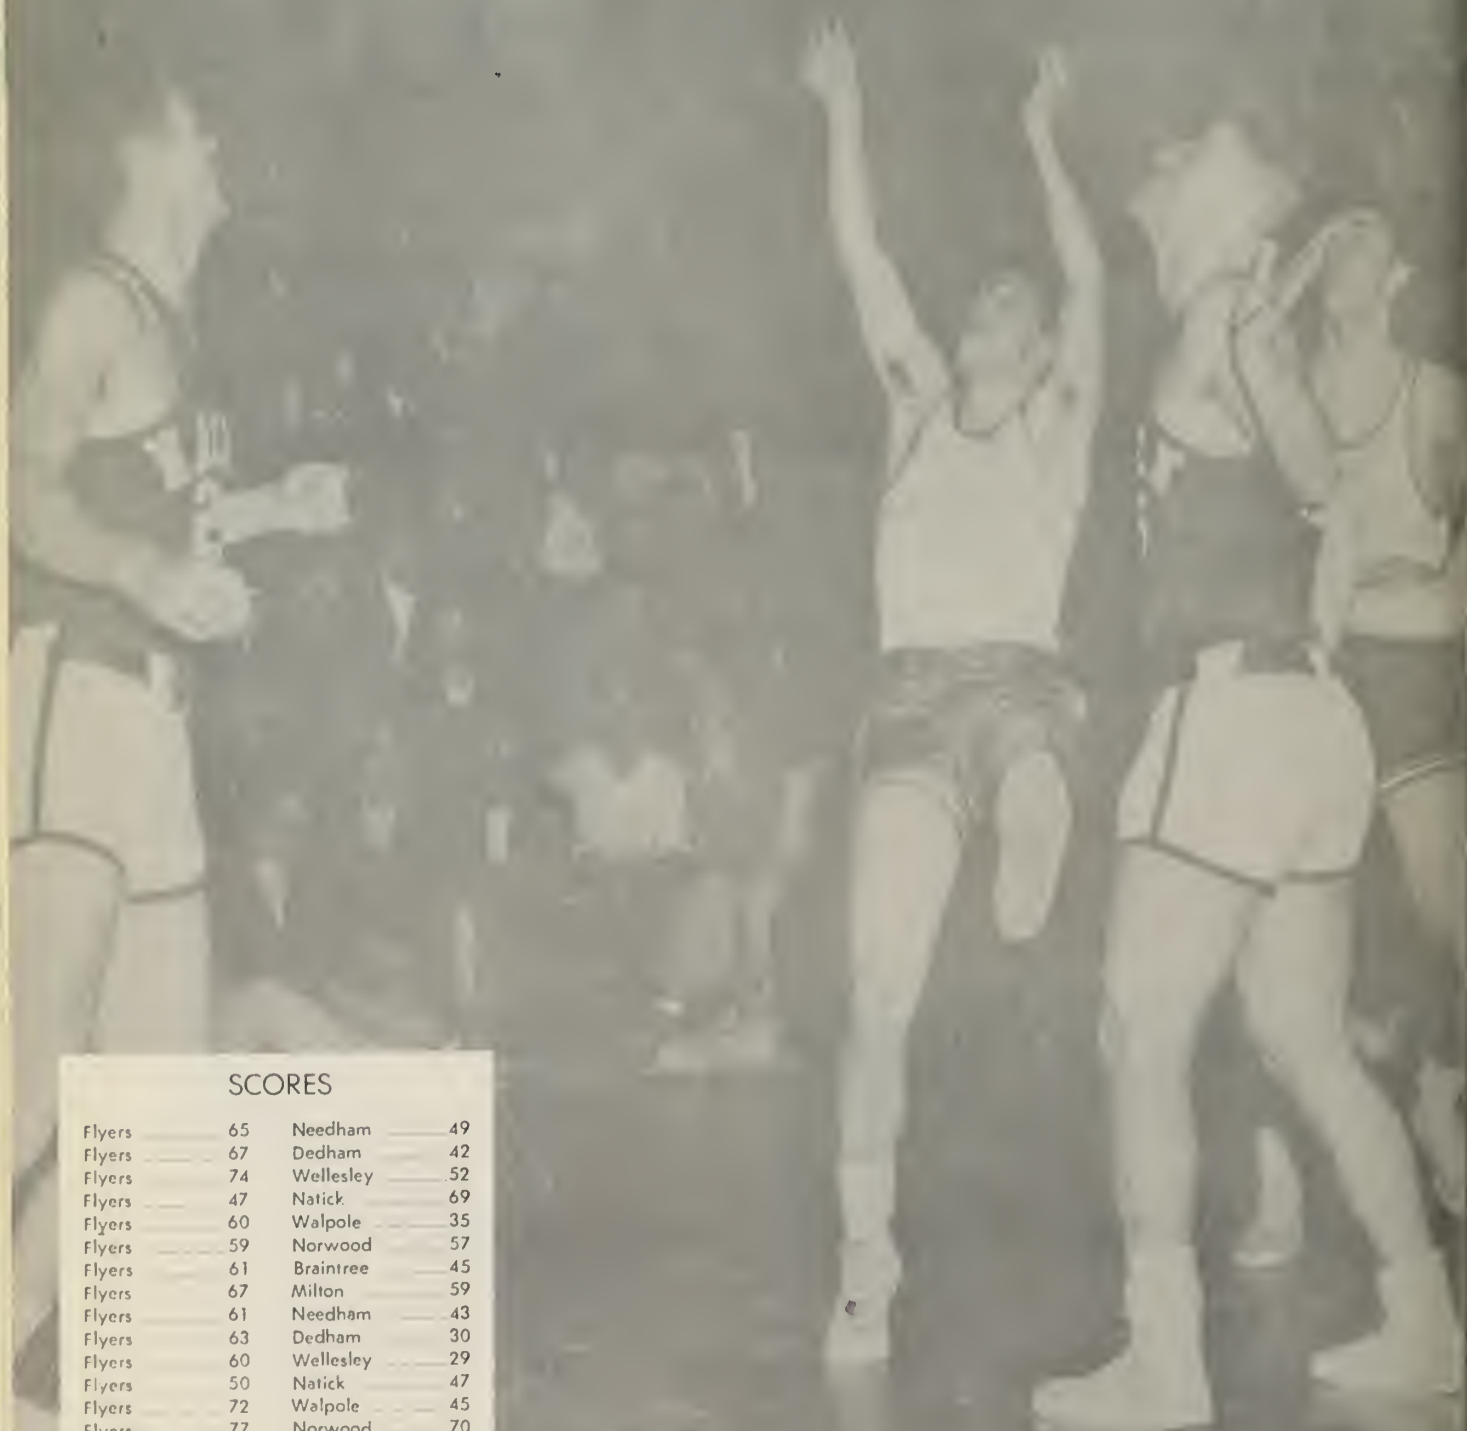

Head Band Majorette during the school year was Patricia Lavallee.

"Dynamite! Let's fight."

The '57-'58 Flyer Basketball Team enjoyed one of its greatest seasons under the brilliant coaching of Bill Summers. The fine record of 15 wins and 1 defeat gave the Flyers their second Bay State title in three years and their fourth consecutive Tech Tourney berth. Much of the team's success may be attributed to the players' tremendous hustle, team-play, and their desire to win.

CHEERLEADERS

Much of the spirit of F.H.S. is due to our fabulous cheerleaders under their captain Vicki Tesicini. Other members of the squad are Florence Merloni, Eileen Cochrane, Pat Thompson, Mary Ann Weddleton, Ellen McDevitt, Pamela Hendrick, Margie Donovan, Diane Vitale, and Bonnie Murphy.

Perhaps their most remembered feat of the '57-'58 season was the unusual Pre-Thanksgiving Day Rally with one turkey in performance.

CROSS COUNTRY

The newly formed Cross-Country Team at F.H.S. had a large and successful turn-out for Coach Trycon. Relying on the strong legs of Captain Jerry Moore and of runner Gyuri Nimeth, the team compiled a first year record of 2 wins and 6 losses for the two and one half mile course.

FIELD

The season promised to be favorable with a 2-2 opening game with Needham. Although Framingham led at the half 2-0, Needham scored twice in the second and thus tied the score. Other games were played with Wellesley, Braintree, Walpole, and Dedham. The

HOCKEY

Natick-Framingham game was cancelled.

Despite the fact that this year's Field Hockey Team was not a winning team in the sense of points made, the players had a winning spirit which really counts more in the long run.

1957 HOCKEY 1958

Headed by Coach Ed Loring and Co-Captains Ron Brandolini and Jackie Merloni, the Flyers' Hockey Team was able to maintain a high position in the Bay State Hockey League, even though hindered by injuries. With the backing of several loyal rooters, the hard fighting pucksters were able to compile a winning season including an important upset win over Boston College High.

SHOPPING FOR A JOB?

CHECK WHAT YOU WANT:

- ☐ *Good starting salary
with regular raises*
- ☐ *Pleasant work with other
girls and young men*
- ☐ *Prestige of a responsible job with
a well-known and respected company*

If your list shows three checks, then you should check into what the Telephone Company has to offer you. Smart girls are doing it now, before they graduate from high school. Come in and see our employment interviewer soon. You'll enjoy talking with her.

Act now, and you can say with pride, "I'm all set! I'm going to work with the Telephone Company!"

See the Guidance Counselor at your school, and talk first with her about when and where to apply.
